

TRANSCENTIVE RELEASES EXPRESS EQUITY™ SUITE OF PRODUCTS, VERSION 12.0**All New Performance Awards Features and Reporting**

SHELTON, CONN., May 5, 2010 – [Transcensive](#), the equity compensation services provider of choice for over 2,000 companies worldwide and part of the Computershare group of businesses, today announced the release of version 12.0 of the [Express Equity™ suite of products](#), with new features related to performance awards.

“With the rapidly increasing number of companies adopting performance equity plans, the Transcensive product experts, as always, worked closely with clients to create one of the most robust solutions for all facets of these popular plans,” said Joe Potenza, President of Computershare Equity Compensation Services.

Companies will have the ability to track both variable and non-variable performance grant types, create and attach probability payout schedules to one or more grants, and create customized amortization schedules on a grant-by-grant basis. In addition, there is updated proxy reporting.
